EZX

Learn how to skate
easily with the EZX!

Step by step, control speed and
balance with the smart wheel fixing
system. The rockered frames make
EZX even more maneuverable.

4 sizes adjustable skate, with 2
buckles and no laces for easy
tightening.

SKATING SCHOOL / ENTRY-LEVEL COMPETITION

FRJC - FRJ

The FR J skate has been developed for the young Freeriders

The FRJ CLUB version is designed for kids with advanced skills. The FRJ combines comfort and stiffness, and is equipped with 3in1 insoles, for perfect size adjustment, following the growth of children's feet. The X2R rockerable frames will allow the young skaters to try many new different styles of skating and improve fast!
